

PROIECTUL ROSE

În cadrul proiectului ROSE studenții anului I sunt invitați să participe la activități din cadrul proiectului Erasmus+

Maths&Languages

2nd Transnational meeting

31 mai – 1 iunie 2018, Iași, Romania

Joi 31 mai

14:00 – 15h00 Assessment of the students' skills

State of play. Results. Objectives for the coming year.

15:15 – 16:45 Overview of the M&L activity 2017-2018

Will start with a 5minute testimony by each partner team (overview of the year, no slides needed) + questions. Then discussion.

17:00 – 18:15 Set-up of the M&L approach for the next school-year (1/2)

Group work.

Vineri 1 iunie

9:00 – 10:15 Finalisation of the M&L schoolyear (with your twin partner)

Your “private” overview of the year. Publications.

10:30 – 12:30 Set-up of the M&L approach for the next school-year (2/2)

Reporting of the group work.

Creation of the first draft of the “Guide for setting up a M&L workshop”.

14:00 – 14:30 Provisional agenda of next schoolyear (with your twin partner)

14:30 – 16:00 Insight of the Romanian educational system and mathematics teaching

Activitățile se vor desfășura la **Colegiul National Iași**, în Biblioteca Titu Maiorescu (joi) si Sala I3 (vineri)

Participarea la aceste activități oferă studenților interesați de o carieră didactică oportunitatea de a cunoaște modul de desfășurare a unor activități extracurriculare reprezentative la nivel European.
